Compulsory REVISION comments	<p>Thank you for sending me through this paper on challenges to accessing healthcare services in Malaysia. I have read it thoroughly and noted the following observations regarding the manuscript.</p> <p>The paper is written well and the introduction section is well-defined with adequate references. The methods, results and discussion sections are described properly. However, the main limitation of this study was its scope and novelty. The authors should describe the broader implications of this study and how it may contribute to the scientific community. The author(s) may also get the manuscript revised by either or someone who excels in English language to enhance its quality. Thank you.</p>	<ul style="list-style-type: none">- Done and marked yellow inside the text- Language has been revised, and marked yellow inside the text
