<u>Compulsory</u> REVISION comments	Thanks for giving me the opportunity to review this study with the following comments: <ol style="list-style-type: none">1. Editing is required throughout the whole study2. Title to change the word presentation into performance or symptoms3. Abstract needs paraphrasing for more clearance4. Introduction needs more elaboration5. Add significance of the study.6. Aim of the study to be the same like the title7. Methodology: tools need more elaboration especially contents of questionnaire, validity, and reliability.8. Data collection procedure is missed9. References in the introduction was Vancouver style while in discussion is the APA so unification is required.	We thank the reviewers for their valuable comments in order to update the manuscript. We have updated the manuscript according to the reviewer's comments. Title have been changed, abstract is already paraphrased and written in our own language (no copy/paste), objective has been modified, we mentioned data collection part in methodology without giving its subheading, and reference is Vancouver all over the paper.
<u>Minor</u> REVISION comments	Editing and paraphrasing	
<u>Optional/General</u> comments
