PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | Comments are made in the manuscript itself. A few more lines about Mendel can be added in the Introduction section. Remove weblinks from the manuscript. References need to rewrite. | Thank you very much! All comments have been answered. Necessary corrections have been made. The medals dedicated to Mendel were the original subject of the study. As for the biography and discoveries of Mendel, they are given very briefly so as not to repeat the numerous publications dedicated to the scientist. The weblinks were removed from the manuscript. References were corrected. |
| Minor REVISION comments | Please check the manuscript. | |
| Optional/General comments | The manuscript is interesting. After corrections have been made, the manuscript can be accepted for publication. | Thank you very much! |

PART 2:
