PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper is presenting just one case of 18 years old patient treated with a well described technique in literature I recommend the authors to either present a larger series or comparison to other techniques or include a systematic review about the technique with more elaboration on technical details That may make the paper more useful to the reader	Thank you for your comments. I tried to correct the discussion part.
Minor REVISION comments	Major revision is needed	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	There is no ethical issues.
