This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajpr.com/index.php/AJPR/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. Your group contains urban slum, urban non-slum and rural. Groups should be mentioned like this in all places which has not been maintained, e.g. Result of abstract.</li><li>2. Prevalence in respect of sex has not been determined which is really important and should be added.</li></ol>	<ol style="list-style-type: none"><li>1. Agreed and corrected</li><li>2. Only 4 cases of RHD, that's why prevalence in respect of sex not been determined.</li></ol>
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"><li>1. Abstract line 1- developing countries like Bangladesh sound better.</li><li>2. "RF and RHD still have very highly prevalent and RHD one of the leading causes of premature death and disability of children in Bangladesh." – grammatically incorrect. 1<sup>st</sup> line of last para of introduction.</li><li>3. In statistical method SSPS version should be SPSS version.</li></ol>	<ol style="list-style-type: none"><li>1. Agreed and corrected</li><li>2. Corrected</li><li>3. Corrected</li></ol>
<b>Optional/General</b> comments	Very very important topic with well structured study and findings that can help the country to take measure to prevent the occurrence and timely intervention.	Thanks

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
