Manuscript Number:	Ms_AJRDES_84855
Title of the Manuscript:	Skin Disorders: A Common Morbidity Associated with Unhealthy Lifestyles
Type of the Article	Minireview Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajrdes.com/index.php/AJRDES/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The author should clarify the skin manifestations in alcoholic hypogonadism. Alcoholism leads to hepatic dysfunction, which impairs estrogen metabolism. Hypogonadism and skin manifestations are a consequence of the effects of alcohol on the liver.</p> <p>The review does not contain data on the effect of drug use on the skin.</p> <p>It is desirable to indicate the effect of products containing caffeine on the skin.</p>	<p>Hypogonadism effects of alcoholism and their mechanisms expanded.</p> <p>Drug effects on the skin not in this manuscript as it is focused on lifestyles.</p> <p>Positive effects of caffeine on the skin included.</p>
Minor REVISION comments		
Optional/General comments	<p>Bad habits and an unhealthy lifestyle leave an imprint on the course of existing skin diseases and are the cause of the emergence of new ones. Dermatologists and general practitioners should be familiar with this.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
