PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It is an honour for me to review the manuscript number "Ms_AJRID_76711" entitled "Study the knowledge on Prevention of COVID 19 Epidemic among Traditional Medical Practitioners" for the "AJRID" journal. The manuscript is original and very well interesting. However, there are many major/minor comments, I hope the authors will make the changes to merit publishing in this journal. Here are some major requirements: 1) I saw a of typos and English mistakes, I advise you to make your paper read and edited by an English native or a specialist. 2) Please change in your title "COVID 19" to "COVID-19" and in your entire document. 4) Please try to add a statistical analysis of your whole sample; you did many descriptive statistics, without making any real contribution.	1.corrected 2corrected 3corrected
Minor REVISION comments	1)Please cite more papers, especially articles from 2019-2021 (the last tree years). 2) Please delate all extaparentheses. 3) Please remove vertical lines from your tables.	Corrected
Optional/General comments	/
