	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1.During examination finding in case report, mention per abdomen as bicornuate or didelphus (as we don't know)** **2.Ask the previous records available with pt from previous delivery and mention them** **3.please attach the intraop pictures and local examination pictures if available**	It is mentioned in the case report that the uterus contour suggested bicornuate. Previous delivery was preterm and singleton. Intraop pictures are attached , local examination pictures are not available.
Minor REVISION comments	Spelling corrections Comment on cervix at delivery of first baby, at that time, finding of other cervix not mentioned, if any please mention	Cervix after delivery of first baby was patulius and 2cm in dilatation , second cervix was 5 cm dilated.
Optional/General comments
