Manuscript Number:	Ms_ARJGO_83402
Title of the Manuscript:	Understanding The Factors Surrounding Precipitous Labor: A study into causes, risk factors and complications
Type of the Article	Commentary

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalarjgo.com/index.php/ARJGO/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Succintly written especially regarding labor pains. Precipitate labor is not normal thus should be discouraged. Labor pain can be managed accordingly.	Your comments are appreciated
Minor REVISION comments	Perhaps more references on hormone's role in bonding.	This has been done. More literature has been added, and this included new references.
Optional/General comments	This should be accepted for publication with minor corrections.	Your comments are appreciated

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
