PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Why authors define an abortion, deliveries under 28 th week?s	This is because fetal salvage rate is very poor below 28 weeks of gestation in Nigeria and other developing countries whereas in developed countries, It is between 22-24 weeks of gestation. It is hoped that in the near future with improvement in perinatal care, our fetal salvage rate will be comparable to that in developed countries.
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
