Title of the Manuscript:	ENVIRONMENTAL TAXATION AND FOOD SECURITY IN SUB-SAHARAN AFRICA
Type of the Article	

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalcjast.com/index.php/CJAST/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	1). You need to state your objective at the introduction section and present the hypothesis thereafter or 2). You can develop your hypothesis alongside literature review. Whichever, its important your readers know the hypothesis you intend to test. 3). You stated that you adapted a model, in that case you ought to present the model so adapted before presenting the modified model for your study. On that note, we cant tell for sure it the model you presented is the modified or the one adapted. However, if you had adopted a model, you don't need to moderate, rather use it as it is. 4). You reported to have used 22 out of the 48 SSA nations. You ought to mention the 22 nations to be a guide to another scholar who might want to cover the rest you didn't study.	Done  Done  Done
<b>Optional/General</b> comments	Its a well thought out and rightly structured paper, suitable for publication on the touch of the minor corrections so highlighted.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
