This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	<ul style="list-style-type: none"><li>- In the abstract the author has to include a problem statement.</li><li>- Lack of latest references. Please include the latest references</li><li>- The Methodology section has NOT been clearly discussed. Please make sure the flowchart, processes are embedded in this section</li></ul>	<ul style="list-style-type: none"><li>- A problem statement has been included in the abstract.</li><li>- A new latest reference has been added. Much latest reference is not found as recently very less work have been done in this field and it is difficult to find papers carried out using the used methodologies in the study area.</li><li>- The methodology used in the study is a standard method and formulas relating to the method has been already discussed in the materials and methods part. And method for finding AET and PET is a very lengthy one and cannot be included in the main text. So, we ask for consideration regarding this.</li></ul>
<b>Optional/General</b> comments		All corrections have been done and highlighted in the manuscript

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
