General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|--|
| Compulsory REVISION comments | What is stated in the comments must be implemented to make the required improvement and raise the value of the research | As per review comments all correction were made for improvement and raise the value of the research. One of our authors (Agronomist) stated that Pigeonpea is a one word not two words (pigeon pea). In some other published articles also mentioned as single word as Pigeonpea. |
| Minor REVISION comments | It must be mentioned that the source of this data is from the figure or list number 1 or 2..etc | Source of data from the tables were also mentioned as per your suggestions. |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
