PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Accept as it is.	Dear reviewers, we have revised my manuscript and have inserted few lines based on the review, however; I have extensively searched the literature and already written all possible positive and negative correlations possible between colon cancer and ascariasis. I have also added Figure # 2 in the figures section.
<u>Minor</u> REVISION comments		Dear reviewers, thanks for kind comments. We have italicised all the scientific terms throughout the manuscript. We have reviewed the case report for grammar and language errors, and have corrected per best of my knowledge.
<u>Optional/General</u> comments		We are grateful for kind words and commendable remarks. Thanks.

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
