PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | Manuscript is very nice. Show wonderful pictures and microphotographs. The results are very illustrated with Tables and Figures. The language is appropriated and clear, easy to understand. Technical words are correct. | Not applicable |
| Minor REVISION comments | The author must be very careful with the orthography and the use of dots at the end of the sentences. Each Figure numbering must be write properly in consecutive order (bellow) as well as the Table number (above, on top). The names of the plants should be write in Italic and if the name is not completed it will write using the dot after the main name, EJ: <i>D. velutinum</i> Some words are shading in Red and Light Blue colour to stand out the mistakes, EJ: Pharmacognistic (should be Pharmacognostic) | All corrected |
| Optional/General comments | The paper is novel and contribute to increase the general information about those medicinal plants. | Not applicable |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
