### **PART 1:** Review Comments

|                                     | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| <b>Compulsory</b> REVISION comments | It seems to me that the abstract is incomplete. It lacks a short introduction, the objective of the work, a brief description of the methodology and the conclusions, which should be inserted in the abstract. Otherwise, the paper is well written and presents interesting results. | The abstract has been rewritten based on the comment. The abstract contains short introduction, objective, description of methodology and conclusions.                        |
| <b>Minor</b> REVISION comments      |  | All the corrections are carried out   |
| <b>Optional/General</b> comments    |  | Nothing mentioned by the reviewer   |

### **PART 2:**

|  | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
