General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Please find here review report. It needs Major Revision. Please especially do the following:</p> <p>1- Latest references are missing. Almost all the references are very old. I have suggested two latest references in the manuscript. However, many more are still needed. Authors can get the latest and relevant references by visiting the following website.</p> <p>http://scholar.google.com/citations?hl=en&user=Tqeb-pYAAAAJ</p> <p>https://www.researchgate.net/profile/Dr_Arshad_Javaid/?ev=hdr_xprf</p> <p>2- Language and formatting should be thoroughly improved.</p> <p>3- Apply stats to all the Tables</p>	<ul style="list-style-type: none">• Latest references are included.• As per reviewer comment, We have visited Google scholar site as well as research gate site.• Reference on "Sharf W,Javaid A,Shoaib A, Khan IH (2021). Induction of resistance in chili against <i>Sclerotium rolfsii</i>" is quoted and included reference of manuscript.• However, reference mentioned by reviewer on "Javaid A, Ali A, Shoaib A, Khan IH (2021). Alleviating stress of <i>Sclerotium rolfsii</i>"is not available in journal website. Since it is not available even in current issue of the Journal. So this reference not quoted in the manuscript.• Language and format are improved.• Stats are given table.
Minor REVISION comments		All the corrections are carried out
Optional/General comments		Nothing mentioned by the reviewer
