

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_86073
Title of the Manuscript:	Study on in vitro seed germination and seedling development of tuberose (Agave amica Medik.)
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript has the novelty on seed germination and seedling development of tuberose, but the English must be improved and experiment design must be explained.	Thank you for your detailed reviews. I have undertaken the changes that are mandatory in the manuscript as suggested.
Minor REVISION comments	- Carefully check spelling and grammar in overall the manuscript. - Explain more detail about experiment design (self study or from references?)	Grammar mistakes and spelling were verified. I added the reference for experimental design in the manuscript
Optional/General comments	See attached files.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
