PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Overall, the article is good. The introduction is well written and presents the main aspects of the study. The MM is adequate, the results and discussion are also appropriate, as well as the conclusion. Some comments and suggestions are present in review mode. My recommendation is to accept after minor revisions.	Thank you for your valuable comments. The manuscript is thoroughly checked again; Table and Fig number properly mentioned in the text; grammar is checked; the revised portions of the manuscript are highlighted properly; the references are crosschecked and properly mentioned in the text.
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
