

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_87580
Title of the Manuscript:	Fortification of organic manures with iron on nutrient release characteristics
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1) There are so many abbreviations in the entire paper. The authors need to elaborate on them, such as EC, FTIR, DTPA etc 2) Many grammatical mistakes in the overall paper. 3) The authors didn't meet the objective of the study, need to explain properly in the conclusion section.	As per the suggestions, all the corrections were carried out. The abbreviations used in the manuscript were expanded, grammatical mistakes were sort out and the proper explanation were given in the conclusion section.
Minor REVISION comments	MORE PHYSICAL AND CHEMICAL PROPERTIES OF ENRICHED SAMPLES NEED TO EXPLAIN. The data obtained by using statistical analysis needs a detailed explanation. Figure no 2 looks blur, and I cannot understand the X-Y plot. Add high-quality image in figure 2.	Based on the opinions, all the corrections were reasonable and carried out.
Optional/General comments	MUST INCLUDE LAST 5 YEARS PAPERS AND RESEARCH IN THE LITERATURE SURVEY. ALL THE REFERENCES ARE OUTDATED.	The recent references were added.

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	No , ethical issues in the manuscript
