

## Review Form 1.6

Journal Name:	<a href="#">International Journal of Plant &amp; Soil Science</a>
Manuscript Number:	Ms_IJPSS_88054
Title of the Manuscript:	Effect of Biofertilizer and Phosphorus on Growth and Yield of Chickpea (Cicer arietinum)
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy> )

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ul style="list-style-type: none"><li>• Soil analysis result is required for this research.</li><li>• The soil of experimental plot is required for this research.</li><li>• Data analysis software must be indicated in the research.</li><li>• The objective of the research is not clearly stated.</li><li>• The data of effective, non- effective and total number of nodules per plant is required.</li><li>• The data of CGR &amp; RGR is required for this research.</li><li>• CV(%) of the analyzed data is required.</li><li>• Location map of the study area is required.</li><li>• Write the correct scientific name of the crop.</li><li>• Delete the title 'Summary'.</li><li>• Conclusion is very small or nil. Add concert conclusions.</li><li>• The number of references is small for publication, so add some references.</li><li>• The style of referencing is not according to the journal requirement.</li><li>• Some reference are found in the body but not cited in the references.</li><li>• The write up and words of this manuscript is very similar with “Effect of Bio-Fertilizers and Sulphur on Growth and Yield of Lentil (Lens culinaris M.)”, the paper is published in International Journal of Plant &amp; Soil Science.</li></ul>	Thank you for your valuable suggestions, I have made changes in manuscript according to your instructions.
<b>Minor</b> REVISION comments	<ul style="list-style-type: none"><li>• The tile should be modified.</li><li>• The manuscript is too short.</li></ul>	
<b>Optional/General</b> comments	The manuscript requires many points for revisions for publication.	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
