

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_88445
Title of the Manuscript:	Appraising components of genetic variation and association among rice (Oryza sativa L.) breeding lines for yield and its component traits
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**Lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

[Review Form 1.6](#)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>The title Estimates of genetic variation and associated traits for yield and its components in rice(Oryza Sativa L.) Keywords Please,add these words Genetic advance under selection,Rice, yield and its components Materials and Methods Please,put qum after et al , for all the text Five plants for calculated datat are afew it should be ten plants at least.</p> <p>Please, detail how to measure the character of kernel length and breadth</p> <p>Results and discussion</p> <p>Please, write table 1 before Analysis of variance Write table 2 before Genetic components of variation estimated revealed Write table 3 before Yield being polygenic control can not Please, let space between can and not Refer to the results and discussion in general you should write the value of the character when you talk about the result and discuss it .</p> <p>References</p> <p>Please, add these references because they are not found Monika et al , 2022</p> <p>Danish et al.,2021</p> <p>Please, remove these references because they are not found in the text</p> <p>Choudhary et al.,2022</p> <p>Mushtaq et al., 2021</p> <p>And rearrange the references again from A to Z.</p>	<p>Modified as suggestion</p> <p>Modified as suggestion</p> <p>All Done</p>
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
