PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Overall this manuscript is quite good, but need improvement to this manuscript. - The introduction please improve writer's insight and plan for the problem-solving effort - In the introduction, it is better to add previous research literature related to this research - The method is not clear. - The results and discussion are quite clear; the conclusion has answered the research objectives.	The reviewer comment was reasonable. I have carried out the corrections
<u>Minor</u> REVISION comments	 - The bibliography that are referred to in the last 10 years is very small. Need more literature review - Added a references with the latest research, in this manuscript there are only 6 references for the last 10 years from 25 references (24%). At least 80% of references in the last 10 years	I have included the references as per the suggestions
<u>Optional/General</u> comments	Some parts of this paper need to be improved which is method, adding literature in the introduction and discussion, and improve reference	Corrections were carried out as per the reviewer comments

PART 2:
