

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_ IJPSS_89382
Title of the Manuscript:	Row spacing, levels of fertilizers and genotypes influencing growth, nutrient uptake and yield of sugarcane (Saccharum spp.) grown under calcareous soil
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
