### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljaeri.com/index.php/JAERI/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>It should contain the objective, technique of work and results obtained.</b> <b>Keywords should be taken from the heart of the topic.</b> <b>The introduction is long, not clear and does not end in a problem</b> <b>The means and methods are different, and neither the means used nor the characteristics studied are explained</b> <b>There is no separation between the parts</b> <b>The absence of homogeneity of the experience for comparison, the presence of two different areas with different varieties planted in each area</b> <b>The results are few and not clear or purposeful</b> <b>Complete absence of discussion with a brief analysis</b> <b>Unclear summary</b> <b>There is no homogeneity in the reference list</b>	I don't agree with revisor.
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
