PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The paper is interesting and well structured, but it needs some improvements before it would be ready for publication: 1.The aim of the paper has been defined in the abstract section, but I suggest to define clear research questions derived from this aim. 2. we ask the authors to mention in the conclusion section what is the contribution of the paper in the present research	<ol style="list-style-type: none">1. Clear research questions derived from the main aim of the paper have been clearly stated and included in the Abstract.2. The contribution of the paper in the present research has been described in the conclusion (lines 210 through 219).
Optional/General comments	The paper is well documented, but needs minor revision.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
