

Review Form 1.6

Journal Name:	Journal of Advances in Mathematics and Computer Science
Manuscript Number:	Ms_JAMCS_85026
Title of the Manuscript:	Study on two new numbers and polynomials numbers and polynomials arising from the Fermionic p-adic integral on \mathbb{Z}_p
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.
To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	No	
<u>Minor</u> REVISION comments	Author can include application also. The literature survey is appreciable one.	First of all, I thank you very much for careful reading my paper. You can be sure that I applied all revisions to my paper carefully. I included application in the conclusion part. I checked the literature survey again.
<u>Optional/General</u> comments	Use following references Kauffman LH, Saleur H. Free fermions and the Alexander-Conway polynomial. Communications in mathematical physics. 1991 Oct;141(2):293-327. Duran UG, Acikgoz ME, Esi AY, Araci SE. Some new symmetric identities involving q-Genocchi polynomials under S4. Journal of Mathematical Analysis. 2015 Dec 15;6(4):22-31.	I added these references.

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	The author declare that there is no ethical problem in the production of this paper.	I agree with all the comments of the reviewers, and I have corrected them and highlighted the manuscript.
