### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	An interesting and comprehensive study of literature dedicated to reflective practice in GP. The paper is based on analysis of Medline/PubMed, Embase, Cochrane CENTRAL, ERIC, and Google Scholar covering the last twenty years. While indicating several limitations, authors were able to produce adequate conclusions and recommendations.	We quite agree with the reviewer's comment
<b><u>Minor</u></b> REVISION comments	The paper requires proofreading and correction of grammar, and thesaurus according to Journal's requirements.	This article has undergone double proofreading and is also subjected to rigorous grammatical correction using the Grammarly tool for correction of research grammar.
<b><u>Optional/General</u></b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
