PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	In conclusion of abstract: there is a sentence start with "The primary focus of this study". This is not a study. this is a case report. This case is valuable in terms of raising awareness. however, the conclusion paragraph at the end of the article contains more general information. It would be better to write a more appropriate conclusion. The discussion of the case report and the references are sufficient. It can be published after minor revision.	Done Amended revision Revised
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
