EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>This article again does not contain any information regarding pharmacy or pharmacotherapy. Let the author describe about pharmacy or pharmacotherapy.</p>	<p>Thank you for this valuable suggestion. The present study is only related to the Seroprevalence of anti-SARS-CoV-2 antibodies in COVID-19 patients in Hyderabad, Sindh because of this reason we focused on the seroprevalence. We have designed another study concerning pharmacotherapy with the association of other clinical aspects and in this future study we will discussed in detail about the pharmacotherapy.</p>
