PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>There is some spelling related error like; behaviour, covishield and minor, which is already highlighted by me in red colour, so it should be correct.</p> <p>In abstract result please mention all the percentage details that is when you mention 245 volunteer belongs to 17-25 age group that is 96.45% out of 100 % then you should mention rest of the percentage belong to which age group, same apply in other percentage</p> <p>I think study should be perform between age group 18 to 60 instead of 17 to 60.</p> <p>In main content or manuscript when you define in Introduction 6th paragraph there is value is 60 instead of 50 at both places.</p>	<p>1. The spelling of covishield vaccine is corrected . https://www.seruminstitute.com/product_covishield.php for more details please check click on above link and some other spelling has been corrected</p> <p>2. In abstract rest of percentage has been added for all demographic variables.</p> <p>3. Regarding Age of the participants all are minimum undergraduate students and nursing college faculties so mostly participants age were above 18.</p> <p>4. Introduction paragraph has been rewrite.</p>
Minor REVISION comments	<p>In conclusion of the article show values in percentage that is 23 %. Remove 00 value after point that is 74.00% and 23.00.</p>	<p>Corrected all percentage in short form. Removed 00 values after point.</p>
Optional/General comments	<p>Place symbol of hyphen in between COVID-19, I already highlighted with red colour</p>	<p>Placed symbol of hyphen in between COVID-19 in the entire manuscript.</p>
