PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The text submitted is in Past-future tense, could change it to past tense. Present the results in tabular and graphical form, which the reader could easily understand	The authors are grateful to the esteemed review for their valuable comments. The manuscript is submitted as a study protocol, which is to be done in near future, hence the use of future tense. However, considering the suggestions of the reviewer, tense and grammar has been checked again using Grammarly software. Since this is a Study protocol manuscript, and is yet to start, hence results have not yet been generated.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	No, there are no ethical issues in the manuscript. The study has already been evaluated by the IEC of the Institute (place of study)
