	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	The authors need to revise the manuscript by incorporating all the comments and as per guidelines and standard of the journal " <a href="#">Journal of Pharmaceutical Research International</a> " and it should be treated as minor revision. The authors should add a various studies conducted by other researchers with recent references.	<p>Dear reviewer, Thank you for reviewing our manuscript. I have reviewed your comments and have thoroughly revised the manuscript. I found the comments helpful and believe my revised manuscript represents a significant improvement over the initial submission. In response to the comments, I made the following changes to address your valuable comments.</p> <p><b>Article Comments</b></p> <p><b>"The authors need to revise the manuscript by incorporating all the comments and as per guidelines and standard of the journal "Journal of Pharmaceutical Research International " and it should be treated as minor revision. The authors should add a various studies conducted by other researchers with recent references. "</b></p> <p>We revised the manuscript and addressed all the applicable comments as per guidelines and standard of the journal as requested. We also added a various studies conducted by other researchers with recent references as requested.</p> <p>Furthermore, as for the comments we have received on the result section from the file entitled "Rev_JPRI_79230_Ala_A", we edited the article from his feedback as much as possible. However, we would like to let you know that some of the comments we received were asking for references and discussion to be done in the result section which we have not done. As it is done in the discussion section.</p> <p>Best regards, <b>Abdulaziz A. Hakami</b></p>
<b>Optional/General</b> comments		

**PART 2:**
