

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_81616
Title of the Manuscript:	A Case Report on Mucocutaneous Leishmaniasis
Type of the Article	

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<p>The introduction is confusing, improve the same, places gaps that the work will fill and mainly improve the writing.</p> <p>The results and discussion are very incipient, write more about both. Preferably separate them so that reader understanding is simplified</p> <p>With the improvement of the other sections, in particular the introduction to use more references, works done in the last 5 years</p>	Thanks for the comments. Changes made as suggested.
<b><u>Minor</u></b> REVISION comments	<p>The material and methods can be improved in its writing and clarity</p>	Thanks for the comments. Changes made as suggested.
<b><u>Optional/General</u></b> comments	<p>Perfect the title, make it more robust</p> <p>Writing can also be verified in general as to your language</p>	Thanks for the comments. Changes made as suggested.

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
