### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<b>1. General comments:</b> <ul style="list-style-type: none"><li>The word Unani Is a proper noun, hence should come with a Capital 'U' at each place.</li><li>There are spelling mistakes in the manuscript which needs to be corrected.</li><li>We never write Ibn-e-Sina. Rather, its Ibn Sina.</li></ul> <b>2. Technical Comments:</b> <ul style="list-style-type: none"><li>Abstract should be more descriptive in terms of work done/purpose of paper.</li><li>The flow of paper is not up to the mark.</li><li>The author should have consulted and collected more references to make this review better.</li><li>More single drugs may be added.</li><li>Some meaningful conclusion shall be drawn from the manuscript.</li></ul>	Correction has been done and incorporated in the revised manuscript as per reviewer suggestion.
<b><u>Minor</u></b> REVISION comments		
<b><u>Optional/General</u></b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
