Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_ JPRI_85029
Title of the Manuscript:	Depth of Invasion as tumor indicator in cervical lymph node metastasis in OSCC
Type of the Article	Original article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalicti.com/index.php/JCTI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Needs major modification in abstract, introduction, methodology, result and discussion and reference section as mentioned in manuscript. Also, we do not at all expect this level of grammatical, typographical, punctuation and language errors in scientifically written proposal. This manuscript actually needs total major modification in this aspect as well.	Modified
Minor REVISION comments	The title of the manuscript can be changed to better version as commented on manuscript	Modified
Optional/General comments	The grammatical, typographical, punctuation and language errors that are present in this manuscript are not excusable. It carries the reviewer away from the path of exact peer review of the content. Please make sure these mistakes do not appear at all. Else it was good conducted study with beautiful result.	Corrected

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
