

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_88350
Title of the Manuscript:	Antioxidant Activities of Aqueous Leaf Extract of Anacardium occidentale (Cashew) on Lead acetate-Induced Cerebellar Toxicity in Wistar Rats
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<b>-Please improve the presentation of your results, choose histograms</b>  <b>- Checking only the antioxidant property of your extract is very light , you can check other properties</b>	We changed Table 3 to Figure 1 (bar chart)  We did not check only oxidative stress markers. We also looked at histological effect on the cerebellum (Figures 2to 7) which in any case can be attributed to oxidative stress
<b><u>Minor</u></b> REVISION comments	<b>-Please improve the literature review</b>	We improved the literature review by bringing in more current references including articles published in 2020 (reference number 6) and 2022(reference number 10)
<b><u>Optional/General</u></b> comments	<b>Great research area</b>	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
