PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>When title says conceptual exploration, Decent work is not defined any where. Conceptual framework of social dialogue was not represented diagrammatically at all.</p> <p>Reforms done by Nigeria were too elaborated. What about the other countries? Clarity is needed in terms of the basic problems felt by port workers and methodologies used by different researchers. Content can be reduced and sorted out more systematically as per the title and objectives of the research.</p>	<p>Title of the Paper has been modified as suggested by the Reviewer.</p> <p>Further research work is expected to engage with comparative analysis and understanding of Decent Work in other countries.</p> <p>The focus of this particular Paper is conceptual and methodological</p>
Minor REVISION comments	Minor grammatical mistakes are found which require thorough checking before final submission.	Corrections of grammatical mistakes have been effected, and as per reviewers comments.
Optional/General comments
