PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>There are paragraphs with scientific statements but no references.</p> <p>Remove paragraphs with personal statements by the authors.</p> <p>The authors describe much more their desires than a real result from scientific literature.</p> <p>I strongly suggest the description of scientific works already carried out, in order to understand the real need for curricular modification.</p> <p>It seems to me that the authors write only about a desire for change but they do not put together the real need for this change.</p> <p>I suggest inserting a table that describes the work of other authors and the results achieved, in order to understand the research objectives.</p>	<p>Amended revision</p> <p>Correction made</p> <p>Done</p>
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		

Review Form 1.6
