

Review Form 1.6

Journal Name:	Ophthalmology Research: An International Journal
Manuscript Number:	Ms_OR_89567
Title of the Manuscript:	Central retinal vein occlusion as a presenting feature caused by Hypertensive crisis secondary to IgA nephropathy in a previously undiagnosed young patient.
Type of the Article	Central retinal vein occlusion as a presenting feature caused by Hypertensive crisis secondary to IgA nephropathy. in a previously undiagnosed young patient. (I suggest deleting this part to make the title smaller and more attractive. It's better to present the case)

General guideline for Peer Review process:

This journal’s peer review policy states that **NO** manuscript should be rejected only on the basis of ‘**lack of Novelty**’, provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
