

## Review Form 1.6

Journal Name:	<a href="#">Asian Hematology Research Journal</a>
Manuscript Number:	Ms_AHRJ_84848
Title of the Manuscript:	Genetic polymorphisms of GSTM1 and GSTT1 genes and susceptibility to Acute Lymphoblastic Leukemia in the Yemeni population
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalahrj.com/index.php/AHRJ/editorial-policy> )

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The manuscript described the incidence of and association with acute lymphoblastic leukaemia with polymorphisms in the GSTM1 and GSTT1 genes in Yemeni population as a case control study.	
<b>Minor</b> REVISION comments	It needs to be thoroughly revised for English language, syntax, grammar, tense, punctuation and meaning. It needs to be edited for inconsistent expressions and incomplete and redundant sentences. I have partially corrected the entire manuscript. Authors names in capitals in references is to be revised to an acceptable format.	
<b>Optional/General</b> comments	Except for gender and age, other details of Table 1 are unnecessary	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
