Manuscript Number:	Ms_ AJAAR_66534
Title of the Manuscript:	Soil Quality Assessment and Agricultural Impact of Swine Waste Open Disposal
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/journal/10/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	English must be revised by a native speaker. Introduction is extremely short; it must be longer. Figures must be mentioned in the text and it is necessary to describe with details the study site. Results. It's necessary to include an explanation to present their results, not only the tables. The authors should check the font size used along the MS (including the references), because there are different sizes. Justify text in word for the references	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
