|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Asian Journal of Advances in Agricultural Research</a>                                                                                |
| Manuscript Number:       | Ms_AJAAR_88527                                                                                                                                    |
| Title of the Manuscript: | Improvement of fruit pubescence and fruiting pattern among pure lines and Landrace of Okra (Abelmoschus spp.) through interspecific hybridization |
| Type of the Article      | Original Research Article                                                                                                                         |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajaar.com/index.php/AJAAR/editorial-policy> )

### **PART 1:** Review Comments

|                                     | Reviewer's comment                                       | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments |                                                          |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      |                                                          |                                                                                                                                                                               |
| <b>Optional/General</b> comments    | Written in good quality and acceptable for this journal. |                                                                                                                                                                               |

### **PART 2:**

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-----------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |                                                                                                                                                                               |
