<b><u>Compulsory</u></b> REVISION comments		
<b><u>Minor</u></b> REVISION comments	<p>I read this work with interest because it deals with sustainable development. A review of the literature has shown that this work has never been published before. This gives it, real originality.</p> <p>The results obtained by this research team were accurately interpreted and strongly supported the conclusions of the study.</p> <p>However, I noticed some imperfections that I mentioned directly (under the "review" tab) in the manuscript.</p> <p><b>In my opinion, this manuscript deserves to be published after minor revision without additional review</b></p>	
<b><u>Optional/General</u></b> comments
