PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The document rather than an article derived from research appears to be a report or a report. The method is a matrix but the methodology is not clear. The quantitative data as well as the choice of data are not clear. It is suggested to expand the conclusions. It is suggested to expand the references and specify very well the categories used. It is suggested to divide the results of the discussion, since the first are the findings and the second are the results in contrast with the specialized literature.	
Minor REVISION comments		
Optional/General comments
