<u>Compulsory</u> REVISION comments	<p>-Women Empowerment is made up of two words women and empowerment. Empowerment means to give power or authority to someone. So, Women Empowerment means power in the hands of women. It signifies that women should be given equal opportunity in every field, irrespective of any discrimination. In this essay on Women Empowerment, we will discuss the need for women empowerment and the ways through which it can be achieved.</p> <p>– need to re check this above paragraph.</p> <p>-OBJECTIVES OF THE STUDY</p> <p>1.To Understand the knowledge of elected women representatives and perspectives of the members of Panchayat regarding the role of women representatives in Panchayat Raj institutions</p> <p>-need to recheck full manuscript before final submission.</p> <p>- The data was collected by personal interview method by using pre – structured interview schedule and latter appropriate statistical analysis (i.e. Frequency, Percentage, correlation etc..) was done to logical conclusion. Need to recheck this sentence.</p>	
<u>Minor</u> REVISION comments	<p>CONCLUSION</p> <p>The study highlighted the perception of the male members of the panchayat towards women active participation in Prakasam district of Andhra Pradesh. From this study , it is very clearly showed that the women should be encouraged and empowered to play an active role in active political participation. The women should build confidence about their abilities and powers towards their duties. The men should change their attitude towards the active participation of women in politics. The study observed that the majority of the respondents are not having good communication skills, educational knowledge and self-confidence. It is suggested by the respondents that they need capacity building training programs and conduct interactive sessions with officials and ex-elected women representatives (EWR)'s to improve their communication skills. The men and women both should change their attitude towards the active participation of women in active politics. Recheck this paragraph.</p>	
<u>Optional/General</u> comments	<p>Conclusion and Recommendation:</p> <p>(i) should be more descriptive and clear</p> <p>(ii) should connected with research objective</p> <p>(iii) Findings and future research direction is not clear enough</p>
