PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The author should clarify what the RAWEP program is by describing it so that the reader can understand it. And the "Participatory Rural Appraisals (PRA) tools", either. The "literature" should be placed at the end of the text and not between. References can and should exist in the text but without being cited in this form, as is the case in the "Introduction" chapter. Furthermore, the conclusions are neither clear nor sufficient. The conclusions must be more detailed, should be clear, and also in some way, they must be applicable in practice. While it is necessary for the conclusions to be linked with the previous chapter so that the scientific basis of the work is indisputable.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
