PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This is a review article describing the conceptual framework of the relationships between social media and the decision-making process for plastic surgery consumers in Jordan. Some major revisions were suggested. 1. What are the differences between the consumers in Jordon and consumers from other regions of the world? Is there any discrepancy regarding the proposed conceptual framework? 2. The method of the literature review process should be clearly described. Which database or which resources of the reviewed literature were collected from? 3. Which part of the three components of the framework plays the most important role in plastic surgery consumers? Is there any difference between general consumers and plastic surgery consumers?	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
