Compulsory REVISION comments	<ol style="list-style-type: none">Graphical abstract<ol style="list-style-type: none">The graphical abstract does not reflect the key content of the study case. Please provide a relevant graphical abstract.Pages 2 and 4<ol style="list-style-type: none">The authors stated that 'The patient is the fourth and last child in a home of six', whereas in the other paragraph, 'The 5th child who is 10yr old did not test positive in the serial PCR tests on day 1 & 7'. Inconsistent statements. I thought the subject was the youngest (4th child), an 8-year-old boy. Please clarify the fact.Additionally, the reference cited for the following statement, 'The 5th child who is 10yr old did not test positive in the serial PCR tests on day 1 & 7' is unsuitable. What is the relevance of citing a reference (Klass & Ratner 2021) for the statement? Please remove the reference or include relevant discussion for the reference.How was the child selected for the case study? The authors should have a set of inclusion requirements. Please state them in the case study.Technical errors:<ol style="list-style-type: none">Please proofread your manuscript: Article usage problems, spelling errors, incorrect preposition use, inconsistent spelling, and missing verb throughout the manuscripts.
