PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. Modify the title to – “Management of tongue tie using Diode laser: A case report”.2. Include case presentation in the abstract.3. Kindly check the sentence formation through entire manuscript.4. Please clarify the use of scalpel and then diode laser too. The authors have stated that they have used laser in case part, however, in the discussion part, they have mentioned the use of scalpel.5. Clinical photograph showing heart shaped tongue as mentioned by the authors is not included. Also, a lateral view showing the extent of tongue tie would have been appropriate.6. There is no significant difference in the clinical images taken prior to treatment and one month postoperatively.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
